STUDENT PROGRAMS

Enrollment is open to violin, viola, cello, bass, piano, harp and guitar students of all levels who currently study with a teacher who uses the Suzuki method and materials. During the session beginning July 29, classes will be offered for violin, piano, cello, bass and harp students. During the session beginning August 5, there will be classes for those who study violin, viola, cello, guitar and piano. The two-week **Chamber Music Program** for advanced string and piano students is described in detail on Page 11.

The student program is a family experience. For young children, it is ideal to have one adult for each child enrolled. All students under the age of 18 must be accompanied by a parent or other responsible adult, with the exception of students age thirteen and older who elect to stay in the Teen Dorm where supervision is provided by ASI staff. In order to get the complete Institute experience, it is recommended that families make the commitment to be available for the many activities that occur throughout the day and into the evening.

A small number of violin students with no experience may enroll to begin their study at the Institute. These **“no experience pre-twinkle”** students should be listening to the Suzuki recordings for several weeks prior to the Institute and must have made arrangements for continued study at home. Their daily schedule will include individual and small group lessons in classes of not more than five students, and a music and movement class. Students must be at least three years old to enroll in this program. Parent and child must attend all classes together.

Pre-Twinkle students are those currently studying but do not yet play all the Twinkle Variations up to tempo and without stops. Their class schedule includes individual instruction, small group instruction and a music and movement class. Parent and child must attend all classes together.

Violin, viola, cello, piano and bass students in Books 1 and 2 will receive 15 hours of instruction plus (optional) four hours of free enrichment classes per week. Instruction includes a lesson (master) class, a technique class (pianists receive a musicianship class), and a repertoire class. String students in Books 3-5 will receive 20 hours of instruction, which includes a large ensemble class. (Large ensemble music will be provided at the first rehearsal). Piano students in Books 3-5 will be

assigned to a duet. (A list of duet pieces can be found on the back of the piano repertoire list. Students are expected to purchase and learn the appropriate duet pieces

before arriving at ASI.) Students Book 6 and above will be scheduled for 20 hours of instruction and are guaranteed no more than three people per master class.

Cello students should bring small chairs (if needed) and a rock stop.

Piano students should bring seat boosters and footstools for their personal use. UWSP provides non-adjustable benches for most pianos.

Harp and guitar students of all levels will be assigned to a lesson class, a technique class and a repertoire class.

Each student should review the entire Suzuki repertoire up to and including the current piece for his/her playing level. Be prepared to play your polished piece (your recital-ready piece) for your lesson class teacher at your first lesson. No matter what the level of current study, the student should select a piece from the repertoire that has been studied over a period of time. The teacher can readily assess the student's need by hearing a technically and musically mature piece.

Solo Recitals are held at 4:00 pm Monday, Tuesday and Thursday each week. If your lesson class teacher recommends you for a Solo Recital, you will be notified at your first class the day of the recital.

Informal Recitals are held Thursday evening the first session, and Wednesday evening the second session. If your lesson class teacher recommends you for performance on an informal recital, he/she will assist you in completing the recital form which you should drop off at the office by 6:00 pm Tuesday. Programs will be posted by 1:00 pm the day of the Informal Recitals and will inform you of the time and place of your recital.

All students will perform in the **Festival Concerts** which will be held throughout the day on Friday (daily repertoire classes will prepare students for the Festival Concerts). Large Ensemble classes will present a mini-concert during the last 15 minutes of their scheduled class period as well. Piano students must complete their festival concert forms and turn them in to their lesson class teacher on Monday. Recommended attire for the Festival Concerts is “Sunday best”.

Practice rooms will be available for you to prepare for your next days' lessons, and sign-up sheets will be posted on the door of each room by 3:00 pm for the following day. A number of practice rooms are reserved for piano students only. You may also practice in your dorm room or in the open air until 9:00 pm. After 9:00 pm, practice is permitted **ONLY** in the Noel Fine Arts Center practice rooms.

There are four \$150.00 **student needs-based scholarships** available from funds donated to the ASI Scholarship Fund last year. Visit our website at www.uwsp.edu/suzuki/asi to print an application, or call the ASI Office at 715-346-3033 to request an application form. Scholarship application **deadline is March 30, 2012.**

Tax-deductible donations to the **ASI Scholarship Fund** can be indicated on your ASI application. Funds donated on the 2012 applications will be awarded for study at the 2013 Institute.

EARN YOUR WAY TO ASI TOOLKIT

Purchase a Toolkit (\$10/5 kits) designed to assist you in soliciting funds from your local merchants, service clubs, family, friends, etc. Each kit includes instructions, a leave-behind promotional DVD, sample letters, and forms. Last year one family raised more than \$2,000 using our Toolkit! You, too, can Earn Your Way to ASI!! Just check the box on your ASI Enrollment Form and five complete kits will be mailed to you for a \$10 shipping and handling fee. If you want to order the Toolkit before you submit your application, just call or email the ASI Office (715-346-3033 or suzuki@uwsp.edu).

Students 18 and younger are encouraged to have their own health insurance as **limited** accident insurance is provided by the University.

PARENT PROGRAMS

Parent participation is essential to the success of the Suzuki Method, and the American Suzuki Institute has planned various activities to help parents fulfill their role. Parents

attend lessons with their children and help them prepare for the next day's classes. Free lectures for parents and teachers are scheduled Monday-Thursday. The topics include Suzuki philosophy, communication, parent-

child interaction, goals, early childhood development, working with teenagers and instrumental techniques and

musicianship. You will receive a schedule of lectures upon check-in.

Also of interest to parents is the *Every Child Can!* course. This course is an introduction to Dr. Suzuki's philosophy and its application to Suzuki education. It provides an inspiring, in-depth look at the Suzuki approach. This is a six-hour course and is being offered Sunday, July 29, 9 am – 12 pm and 2 – 5 pm, and Wednesday, August 1, 1-4 pm, continuing Thursday, August 2, 8-11am. A class fee does apply for this course, and advance registration is required. For more information on the course content, see the Teacher Training Course information page of this brochure or visit our website at www.uwsp.edu/suzuki/asi.

PARENT AND SIBLING PROGRAM

For siblings of enrolled students, the **Suzuki Early Childhood Education Class** provides an opportunity for siblings of participants ages 0-4 and their parents to interact as they learn nursery rhymes and songs, move to music, learn counting skills and also have a story time. Children learn to cooperate socially with other early learners as they take turns, share toys and help with class routines. Parents learn to observe their child's growth, the natural stages of child development and how to structure a positive, nurturing learning environment. Class meets once a day for one hour,

Monday-Thursday. Class size is limited to 15. Once the class is full, you may choose to be wait-listed. Pre-registration is required – no walk-ins. Fee: \$50 (includes CD, songbook, and four classes)

SHORT-TERM TEACHER TRAINING PROGRAMS

To help train successful Suzuki teachers, the Suzuki Association of the Americas (SAA) has set up a teacher development program. Teachers interested in studying the Suzuki philosophy, pedagogy and other aspects of the method enroll in courses corresponding to each book. The first course, *Every Child Can!* (ECC) covers the basic philosophy underlying the Suzuki method and the methods of working with preschool children and their parents. Book 1 continues with a thorough study of the entire repertoire and techniques contained in Book 1 of the Suzuki method. For more information on the courses being offered this year, see the Short-Term Teacher Training information pages of this brochure.

It is recommended that in addition to preparing the repertoire, the course participant should be conversant with the ideas presented in Suzuki's book *Nurtured by Love*. All participants will be performing in class and are expected to bring their own instruments (except pianists!) 100% attendance is required in order to register a course with the SAA. No videotaping is allowed in class.

Short-Term Teacher Training information and audition requirements are available on our website at

www.uwsp.edu/suzuki/asi and a copy will be mailed to you upon receipt of your Book 1 ASI enrollment application.

Plan to attend a Short-Term Teacher Training Participant Meeting, Sunday, 6:15 pm.

Short-Term Teacher Training Scholarships are available. Call the ASI Office at 715-346-3033 for an application, or print one from our website: www.uwsp.edu/suzuki/asi. The Short-Term Teacher Training Scholarship application deadline is April 13.

SIBLING CLASS

Suzuki Early Childhood Education Class

The class provides an opportunity for siblings of participants ages 0-4 and their parents to interact as they learn nursery rhymes and songs, move to music, learn counting skills and also have a story time. Children learn to cooperate socially with other early learners as they take turns, share toys and help with class routines. Parents learn to observe their child's growth, the natural stages of child development and how to structure a positive, nurturing learning environment. Class meets once a day for one hour, Monday-Thursday. Class size limited to 15. Once the class is full, you may choose to be wait listed. Pre-registration is required – no walk-ins. Fee: \$50 (includes CD, songbook, and four classes)

ASI STORE

The Institute operates a store that has core materials of the Suzuki method and a variety of other music related educational items. The ASI store also carries the Institute T-shirt, and a wide variety of books, music, CDs, souvenirs, mementos, apparel, figurines, jewelry and fine gift items. Because the store exists only during Institute, we are unable to accept credit cards. Cash and checks accepted with a smile!

If an individual or parent group would like to sell Suzuki related items at the Institute store, they may send samples or pictures, plus a description, to Store Committee c/o American Suzuki Institute, University of Wisconsin-Stevens Point, Stevens Point, WI 54481. **Deadline for samples is June 15.** The ASI Store is a fundraising project of the Aber Suzuki Center, the local Suzuki program.

TALENT SHOW

On Tuesday Institute participants will have an opportunity to audition for the Talent Show. Non-musical acts are welcome. Specific audition information will be included in your registration packet. Acts should be appropriate for a general audience. The Talent Show will be held on Wednesday.

TEEN DORM

The Teen Dorm is open to students age 13 to 18. The Teen Dorm fee includes meals, lodging, and a special activity package, all supervised by full-time, resident counselors who

are on call 24 hours a day to ensure a safe and supportive environment. In addition to the normal Institute activities, the American Suzuki Institute sponsors an opening night mixer, a pizza party and a dance each week for the teens. Teen Dorm residents who stay for both weeks of the Institute spend Saturday afternoon and evening in supervised recreational activities. One week teen dorm residents wishing to participate in the Saturday teen activities will be assessed a \$29 activity fee. All teens participating in Institute-sponsored teen activities must be housed in the teen dorm and will be assigned to double rooms. Meal tickets are required and included in the housing cost. The teen dorm residents are under the supervision of the Institute, and residents are expected to abide by the established regulations and code of conduct (which will be emailed to you on or before June 1). The Institute reserves the right to remove any student from the teen dorm who fails to do so. **Early arrival is not permitted in the Teen Dorm.**

Every Child Can!® (ECC) is an introduction to Dr. Suzuki's philosophy and its application to Suzuki education. **For parents, teachers, prospective teachers and others**, this six-hour course provides an inspiring, in-depth look at the Suzuki approach to teaching and learning. **For teachers, ECC serves as the required first course in the Suzuki Association of the Americas Teacher Development Program.**

Book 1 Teacher Training Courses includes 28 hours of instruction plus 15 hours of observation. **Course participants must take Every Child Can! prior to beginning Book 1**, and complete the SAA Audition process. You also must be an active SAA member, and be 18 or older, and a high school graduate or equivalent. Prepare for the course by familiarizing yourself with the Book 1 repertoire. Detailed information on the Audition process will be sent to you upon receipt of your completed enrollment application, or you may visit the SAA website (www.suzukiassociation.org).

Book 2 and above Teacher Training Courses include 15 hours of instruction plus 8 hours of observation. All course participants are asked to prepare the repertoire to be studied to the point of fluent performance. Memorization is not required but is recommended. Participants should read, or re-read, Dr. Suzuki's *Nurtured by Love and Ability Development from Age Zero*.

For all training courses, 100% attendance is mandatory. All participants will be performing in class. Strings are expected to provide their own instruments. No videotaping of classes is allowed.

The prerequisite for **Supplemental Courses** is registered training through Book 4.

Registration deadline: June 15 for all teacher training course applicants. After June 15, late fees will apply, however we will accept late registrations if space is available.

Course Cancellations: ASI may cancel teacher training courses if enrollment is insufficient. Please enroll by June 15 so that we do not cancel a course you would like to take. If a course is cancelled due to insufficient enrollment, you will be notified by June 29. If you choose to purchase a non-refundable plane ticket before June 29, ASI will not be liable.

The American Suzuki Foundation is offering Short-Term Teacher Training Scholarships to honor Dr. Suzuki. Grants will be applied to your ASI account. Print an application from our website www.uwsp.edu/suzuki/asi or email the American Suzuki Institute office to request an application. **Applications are due April 13, 2012.**

Two **college credits** per unit, undergraduate or graduate, are available through UWSP Continuing Education. Registering for credits through Continuing Education means **substantial savings on tuition for out-of-state teachers (around 50%)!** For details, call or email the ASI Office. You must notify us by June 15, 2012 if you plan to take teacher training for college credits.

UWSP offers **undergraduate and graduate music degrees** with Suzuki emphasis. Scholarship assistance is available during the academic year for highly qualified candidates. Please call the ASI Office (715-346-3033) for information.

* Guitar Book 1 classes will begin at 1:00 pm on Thursday, August 2, and will end on Friday, August 11 by 4:00 pm.

** For Harp Book 1, plan to arrive on campus on Sunday, July 29, between noon and 5pm. Classes will take place July 30 through noon Wednesday, August 8.
